

NATIONAL SEMINAR

# Unlocking the Future of Education in India

The Power of Liberal Arts and  
STEAM Education for Teacher Educators

06  
OCT. 2023

Hosted by:

**LABOUR  
INDIA** | TEACHERS  
COLLEGE

In association with  
MG University, Kottayam &  
Self-financed Training College  
Principals Association.

Welcome to a transformative educational experience! As dedicated educators, you play a pivotal role in shaping the future of India's education system. Join us at our upcoming seminar, where we delve deep into the dynamic fusion of Liberal Arts and STEAM (Science, Technology, Engineering, Arts, and Mathematics) education. Together, we'll explore how this powerful combination is revolutionizing teaching and preparing students for the challenges of the 21st century.

# The New Educational Horizon

## Explore the New Horizon

In the wake of India's New Education Policy 2020, our educational landscape is evolving rapidly. This policy has ushered in a paradigm shift, emphasizing holistic, interdisciplinary learning. At the heart of this shift is the recognition of the profound value that Liberal Arts and STEAM education bring to the table.

## Empowering Educators, Transforming Minds

Join us to learn how you can integrate Liberal Arts and STEAM principles into your teaching methods. Discover how this dynamic approach nurtures students with critical thinking, creativity, adaptability, and a deep-rooted curiosity. Gain insights into preparing your students for a future where they are not just job seekers but innovators, thinkers, and solution providers.

## INAUGURATION

Dr. Babu K

# Sub-Themes

Sub-themes for National seminar, aligning with the theme of "Unlocking the Future of Education in India: The Power of Liberal Arts and STEAM Education for Teacher Educators":

---

## Transforming Education for the 21st Century

- Exploring the Impact of Liberal Arts and STEAM Education
- Redefining Teaching and Learning in the Digital Age

## Vision and Mission: Navigating India's Educational Odyssey

- Aligning the New Education Policy 2020 with Liberal Arts and STEAM Education
- Inspiring a Generation for a Brighter Future

## Interdisciplinary Innovation: A Paradigm Shift in STEM Education

- Beyond STEM: The Role of Arts in Holistic Learning
- Integrating Liberal Arts into STEM Curricula

## Teacher Education: Challenges and Opportunities in a Changing Landscape

- Preparing Educators for the 21st Century Classroom
- Empowering Teachers with Multidisciplinary Pedagogies

## Quality Enhancement through Educational Restructuring

- Reimagining Assessment and Evaluation in Liberal Arts and STEAM Education
- Fostering Creativity and Critical Thinking in Quality Education

## Lifelong Learning for Self-Empowerment: A Lifelong Commitment

- Lifelong Learning as a Tool for Personal and Professional Growth
  - Equipping Teachers and Learners for Lifelong Success
- 

These sub-themes align with the seminar's focus on the transformative potential of liberal arts and STEAM education in teacher education and the broader educational landscape in India. Each sub-theme offers a unique perspective and insights into the future of education in the country.

# The Essence of Liberal Arts and STEAM

## Uncover the Potential

Delve into the profound value of Liberal Arts and STEAM education in cultivating a sense of inquiry, empathy, and a global perspective. Learn why this approach is not merely an option but an imperative in shaping the future of education in India.

## Embracing STEAM Education

Discover the essence of STEAM education and its relevance in the modern world. Explore how Science, Technology, Engineering, Arts, and Mathematics intertwine to create holistic learning experiences that prepare students to thrive in a technology-driven society.

# Engage and Transform

Connect with esteemed educators and experts who have pioneered Liberal Arts and STEAM education in India. Gain practical insights and innovative strategies that you can implement in your classrooms

## Who Should Attend?

- Teacher Educators
- School Administrators
- Curriculum Developers
- Education Enthusiasts
- Research Scholars

## Why Attend?

- Stay at the forefront of educational trends.
- Transform your teaching methods to inspire the next generation.
- Network with like-minded professionals.
- Equip your students for success in the 21st century.

# Limited Seats Available

Don't miss this opportunity to be part of the educational revolution.

Reserve your seat today!
